

## Pre-Christmas Delivery Schedule

Northline has prepared an outbound loading schedule to assist customers in their freight planning during the busiest time of the year.

Northline will make every effort to ensure deliveries that comply with the schedule will arrive before Christmas. However, please note that flooding events continue to impact services from NSW to SA and WA. As this situation is continually changing, we would recommend allowing additional days wherever possible to avoid disappointment.

Northline's offices, including Customer Service, will be closed on all public holidays and weekends throughout December 2022 and January 2023.

Please note that during the post-Christmas holiday period, pickups and deliveries will continue on all working days and any scheduled on public holidays will roll to the next working day, as per the standard Transit Schedule.

Should you wish to have your goods delivered prior to Christmas please refer to the final sending dates below. Please ensure the receiver is able to receive deliveries during this period.

Correct as at 28 November 2022.
